Re: **American Electric Power Service Corporation**
Docket Nos. ER18-195 and ER18-194

Dear Secretary Bose:

American Electric Power Service Corporation, on behalf of its affiliates, Public Service Company of Oklahoma (“PSO”), Southwestern Electric Power Company (“SWEPCO”), AEP Oklahoma Transmission Company, Inc. (“OK Transco”) and AEP Southwestern Transmission Company, Inc. (“SW Transco”) (collectively, “AEP”), hereby submits for filing for informational purposes revised formula rate templates (“Revised Templates”) provided to the Southwest Power Pool, Inc. (“SPP”) for billing under Schedule 9 (“NITS”) and Schedule 11 (“Base Plan”) of the SPP Open Access Transmission Tariff (“SPP Tariff”)¹. AEP initially posted its 2019 projected transmission revenue requirements (“PTRR”) on October 31, 2018 which included NITS and Base Plan true-up adjustments for the 2017 rate year (“True-Up”). The 2017 True-Up for Base Plan projects included with the October 31, 2018 filing did not accurately reflect the revenue collections during the 2017 rate year and has been revised accordingly. The other items included in the October 31, 2018 filing, including the 2019 NITS and Base Plan PTRRs and the NITS True-Up, did not change.

The Revised Templates attached hereto has been submitted to SPP for posting (and publication, pursuant to AEP’s revised protocols) on the SPP website at:

<http://sppoasis.spp.org/documents/SWPP/MemberRelatedPostings/MemberRelatedPostings.asp>.

A copy of the notice of such posting was provided to SPP, SPP customers, and the parties in this docket, and to all affected state commissions on December 13, 2018.

¹ Southwest Power Pool, Inc., Open Access Transmission Tariff, Sixth Revised Volume No. 1

Kimberly D. Bose, Secretary
November 1, 2018
