**Re: American Electric Power Service Corporation
Docket No. ER08-1329-000**

Dear Secretary Bose:

On May 25, 2016, American Electric Power Service Corporation, on behalf of its affiliates, Appalachian Power Company, Indiana Michigan Power Company, Kentucky Power Company, Kingsport Power Company, Ohio Power Company, and Wheeling Power Company (collectively "AEP"), submitted for filing for informational purposes its 2016 Annual Update to recalculate its annual transmission revenue requirements ("Annual Update"). In that filing, AEP indicated that it would host a webinar and teleconference meeting on June 17, 2016 to afford interested parties the opportunity to discuss the Annual Update. While the date of the meeting is correct, the start time identified in that filing is incorrect. The webinar and teleconference meeting will take place from 2:00 p.m. to 4:00 p.m. (ET) on June 17, 2016 (and not 9:00 a.m., as previously indicated).

Information regarding the meeting will be available at:

AEP apologizes for any confusion that may have been caused by this error. Please feel free to contact the undersigned with any questions.

Respectfully submitted,

/s/ Amanda Riggs Conner
