**Re: American Electric Power Service Corporation
Revision to Informational Filing of 2025 Projected Annual Transmission
Revenue Requirement
Docket No. ER17-406-000**

Dear Secretary Reese:

American Electric Power Service Corporation, on behalf of its affiliates, AEP Appalachian Transmission Company, Inc., AEP Indiana Michigan Transmission Company, Inc., AEP Kentucky Transmission Company, Inc., AEP Ohio Transmission Company, Inc., and AEP West Virginia Transmission Company, Inc. (collectively referred to herein as “AEP” or the “AEP East Transmission Companies”), hereby submits for filing for informational purposes a revision to the 2025 projected annual transmission revenue requirements (“PTRR”) submitted in this docket on October 31, 2024. This revision updates the 2025 Network Service Peak Loads (NSPL) pursuant to the Network Integration Transmission Service Agreement between PJM and AEP, which was released by PJM on November 15. Additionally, AEP has updated the PTRR to reflect refunds associated with prior periods found during the annual update process. This revision impacts the files included in the October 31, 2024, filing.¹ Revised files are provided herein and have been submitted to PJM for posting (and publication, pursuant to AEP’s protocols) on the PJM website at: <http://pjm.com/markets-and-operations/billing-settlements-and-credit/formula-rates.aspx>.

Thank you for your attention to this informational filing.

¹ The “02_East 2025 PTRR Customer Meeting Notice.pdf” file is unchanged and has not been included in this revised filing. All revised files have a filename ending in “v2” to distinguish from the versions filed on October 31, 2024.

Honorable Debbie-Anne A. Reese, Secretary
