Re: ***American Electric Power Service Corporation***
2024 Annual Update
Docket No. ER18-195-000

Dear Secretary Reese:

American Electric Power Service Corporation (“AEPSC”), on behalf of its affiliates, Public Service Company of Oklahoma (“PSO”), and Southwestern Electric Power Company (“SWEPCO”) (collectively, “AEP”), hereby submits for filing, for informational purposes, revisions to the true-up of its 2023 annual transmission revenue requirement (“2024 Annual Update”). This 2024 Annual Update was originally submitted pursuant to the Southwest Power Pool, Inc. (“SPP”) Open Access Transmission Tariff (“OATT”) on May 28, 2014. After the filing, AEP determined a correction was necessary to Worksheet S of SWEPCO’s formula rate template. This revised Annual Update includes a revised formula rate template and other impacted workpapers.

The materials have been submitted to SPP for posting on its website at:

<http://opsportal.spp.org/OASIS/Directory/Member%20Related%20Postings>

A copy of this notice of such posting was provided to SPP, the parties in this docket, and to all affected state commissions on June 14, 2024.

Debbie-Anne A. Reese, Acting Secretary

June 14, 2024

Thank you for your attention to this informational filing. Please contact the undersigned if you have any questions concerning this filing.

Respectfully submitted,

/s/ Matthew L. Bly
